Youth participants must be between the ages of 8-21 as of January 1st, 2025.

Novice participants, age 6-7 as of January 1, 2025, will be accepted if accompanied by a parent.

Parents are welcome and encouraged to attend with your child. Make this a learning event for the whole family!

☐ Youth Age (as of 1/1/25) _____ Sex _____ ☐ Attending Parent Sex _____

Choose the camp you wish to be enrolled in:

☐ Beef ☐ Sheep ☐ Swine ***(Swine – Please see PRRS requirements on page 4)**

Please indicate whether you will bring your animal to work on. _____ Yes _____ No

Please list the number of parent(s) or another adult that will be staying with you: _____

- **Camp fees are \$75 per youth camper. Prices are all inclusive and include your individual species clinic, mid-morning snack, and a pizza lunch (including beverage/dessert)**
- **Parents are welcome to stay and learn with their child or leave and spend the day as they wish. We know raising livestock is a family project, so we encourage parents to participate! Parents can do lunch on their own in Janesville, or they can partake in our pizza lunch for a small fee.**
- **Participants must be paid 2025 WLBA members. Annual dues are \$30 per family.**

All Campers: Although not required, you are encouraged to bring an animal to work on during the camp. Families with multiple children attending may 'share' an animal, but for the best learning experience bringing an animal for each child is highly encouraged as it will enhance their experience. Practicing showmanship with their own animal will be a part of the day.

Participants are asked to work out of their trailers, unless you are transporting animals by truck. Limited penning/stalling is available and anyone using pens or stalls will be required to clean their area before they leave. Grass surrounding your trailer will also need to be thoroughly raked and either taken home or disposed of.

What to bring: Bring what you would typically bring to a show. Feed, water buckets, hose, grooming supplies, halter, show sticks, pig whips, etc.... Optional: Lawn chairs and a cooler with additional beverages.

For more information, please contact Jill Alf at (608) 743-9080 after 5 pm or email the WLBA office at wisconsinlivestockbreeders@gmail.com. Registrations will be accepted until June 1st. Registrations may be taken after this date dependent on space, but please call the WLBA office to check availability. Participants registering by June 1st will be guaranteed a spot.

For Swine Show Campers Only: Please read swine requirements below carefully and bring a copy of your Certificate of Veterinary Inspection that the WLBA staff can retain. We will not have a copier available, so if you forget to bring a copy your original form will be retained. We are required by the state to retain copies of all CVI's for 5 years.

Swine moving within Wisconsin must have a CVI with the following:

1. Animal identification (USDA 840 button ear tag, county fair tag, or ear notch)
2. Statement (on CVI) that a veterinarian has inspected the entire herd of origin within the past 30 days before the show and that no apparent disease was present at the time of inspection. Statement must also include:
3. Farm of origin of has not had pseudorabies or swine dysentery in the past 12 months, has not had any clinical signs or diagnosis of TGE or PEDV in the past 60 days, feeds no garbage, uses no PRV vaccine, is not under quarantine for any disease condition and vesicular stomatitis has not been diagnosed within 10 miles of the farm of origin within the past 30 days.
 - a. Testing for Porcine Reproductive and Respiratory Syndrome (PRRS) and Porcine Epidemic Diarrhea Virus (PEDv) is required as follows:
 - i. If Negative tests of herd of origin within 90 days prior to movement, pigs can move to fairs or shows as noted above. Documentation of the negative test results must be made available upon request. **Test results, test type, and date of testing need to be included on the CVI.**
 - ii. If Positive tests for either PRRS or PEDv of herd of origin within 90 days prior to movement, the herd will be quarantined until a herd plan is established and approved. Swine may be able to move to the fair or show in accordance with the herd plan. **Include the test results, test type, date of testing, and Herd Plan number on the CVI.**
